Hanover County Public Schools Teacher Job Fair

MARK YOUR CALENDAR

February 22-27, 2021

During this week, selected candidates will be able to have a
30 minute virtual screening interview with an HCPS
administrator.

The screening interview is designed for licensed or soon-to-be licensed teachers—those who already hold a teaching license, VDOE Statement of Eligibility, or individuals who are currently enrolled in a state-approved program for teacher licensure. We are also interested in meeting any registered nurse or speech language pathologist candidates at our fair.

Our interviews are by invitation only. If you are interested in being considered for an interview, please apply as soon as possible as availability may be limited. If selected for a screening interview, you will be notified via the email address cited on your application with instructions as to how to select your availability. Interviews will be scheduled at various times throughout the day and evening. The final deadline to apply is **February 22**. Selected candidates will be notified by email at least 2 days prior to your scheduled interview date. If you hold multiple endorsements and wish to be considered for multiple interviews, you will be asked to submit a separate application for each endorsement area.

To apply for a job fair interview, visit
http://hcps.us/departments/human_resources/application_process by February 22.

Search for one or more of the “HCPS Teacher Job Fair” postings:

- **Special Education** (SLP, Adapted Curriculum, General Curriculum, Autism)
- **K-12 Specialty Areas** (School Counselor, Music, P.E., Art, Library, ESL)
- **Elementary Education** (K-5 Classroom Positions, Early Childhood, Elementary Endorsements)
- **Secondary Education** (World Languages, Math, English, Social St., Science, CTE, Theatre)
- **School Nurse** (Registered Nurses)

Create a profile that you can apply to the “job fair posting” as well as to any specific “Teacher” job postings for the 2021-22 school year.
