Moving from Ally to Accomplice

Diverse Issues in Higher Education

Promoting Gender Equity in Developing Countries

Woodrow Wilson International Center for Scholars

TIP OF THE WEEK

"Gender equity or gender justice **requires a more dynamic understanding of gender**, operating outside of traditional binaries while taking into account the multiple ways minoritized identities intersect and the institutional 'isms' (racism, classism, ableism, etc.) that are barriers for many Transgender and Gender Nonconforming (TGNC) people, especially TGNC people of color." (from Rethinking Gender Equity in Higher Education, AAC&U)
