TIP OF THE WEEK

It is important that schools of higher education enhance their allyship to their LGBTQ students, staff, and faculty: Be a listener. Be open-minded. Be willing to talk. Be inclusive and invite LGBTQ friends to your home. Don't assume that all your friends and co-workers are straight. Let your friends, family and co-workers know that you find Anti-LGBT comments and jokes offensive. Confront your own prejudices and bias. Defend your LGBTQ friends against discrimination. Believe that all people, regardless of gender identity and sexual orientation, should be treated with dignity and respect.
