TIP OF THE WEEK

The Gathering of Nations takes place on April 28-30, 2022. Please take some time to explore how teachers can integrate Native American/Indigenous History into our educational experiences. This newly-published teacher resource from the Library of Congress provides ideas for using U.S. Poet Laureate Joy Harjo's Living Nations, Living Words signature project in the classroom. With an emphasis on poetry, and sharing and elevating the voices of living Native poets, the Living Nations, Living Words project consists of two main components: a story map and a poetry collection.
