TIP OF THE WEEK

In January 2014, former U.S. **President Barack Obama** stated, "You can judge a nation, and how successful it will be, based on how it treats its women and its girls." Indeed, educating women throughout the world has proven a pivotal locus for ensuring communities' and countries' social and economic success. This week find ways to support girls' educational experiences, where through volunteerism, mentoring, creating curriculum, cultivating group counseling experineces, just to name a few.
