Join Professors Fred Lederer and Iria Giuffrida for a variety of interactive and dynamic law courses focusing on legal systems, emerging technologies, and negotiations:

**Intro to Law & the U.S. Legal System**

*June 15-18, 2020 | $350.00*

This course explains what the law is, how it is made, and how judges can change it. Students will learn how the judicial branch interprets, creates, and modifies legal rules.

**Intro to Artificial Intelligence & the Law**

*June 22-24, 2020 | $225.00*

This one-of-a-kind program provides an introduction to selected legal issues that we may face with the advancement of artificial intelligence, the Internet of Things, and other groundbreaking technologies.

**Intro to Negotiations**

*June 24-26, 2020 | $250.00*

This dynamic class takes students through the basic elements of negotiation and explains how these skills are put into practice through lectures and interactive scenarios.
