What is Evidence?

Available now to high school-aged students, Prove it! Introduction to Evidence is an interactive study of the rules that govern the types of information that can be used in court. To be admissible in court, information – evidence – must logically prove or disprove a matter in issue and must comply with a wide range of restrictions based on reliability concerns and public policy.

Among other topics, the course includes:

- Hearsay
- Best Evidence
- Procedure
- Relevance
- Authentication
