Camp Launch Camp Nurse – temporary summer 2023 (July 15-29, 2023)

Hourly Wage: $20
Dates: July 16-29, 2023 (shifts vary)
Index: 2WM400
Supervisor: Dr. Mihyeon Kim | F0012L
Time Sheet Approver: Dr. Mihyeon Kim | F0012L

Required Qualifications: Graduation from an accredited US Nursing program with a RN or LPN license in good standing with Commonwealth of Virginia.

Preferred Qualifications: Clinical experience in a related medical/clinical setting or in a public-school system.

General Description
The Camp Nurse will provide appropriate assessment and oversee treatment of medical problems in the Camp Launch student community. The Camp Nurse will review all medical files on students to ensure they take their medication at the appropriate times and are always available in the event of an emergency. Shifts are 8 hours for 14 days July 16-29, 2023. The Camp Nurse might be required to stay in the dorm. The Camp Nurse will also be asked to present on clinical protocols and universal precautions at the Counselors’ Orientation on July 15, 2023.

Performance Duties

75% - Patient Care
Provide appropriate assessment and treatment of medical problems in the residential Camp Launch Program, during assigned 8-hour shift. Maintain appropriate universal precautions at all times in handling patient specimens and any potentially contaminated materials. Strive for personal excellence in the specific skills and knowledge required for professional expertise.

10% - Interpersonal/Team Responsibilities
Demonstrates high standards of integrity, confidentiality and professionalism. Demonstrates a positive, open-minded, “can-do” attitude and willingness/enthusiasm to effect change. Helps support a positive culture by demonstrating desired behaviors. The ideal candidate is a team player that will help others even outside areas of primary responsibility. Communicates/negotiates with Camp Launch and William & Mary staff in an effective/collaborative fashion. Follows the chain of command appropriately. Supports a collaborative, professional work environment. When any kind of unforeseen treatment is given, communicate with the parents about what happened and what they did to treat their child. As a member of the Camp Launch Leadership Team, model, facilitate and purposefully influence the culture of Camp Launch to cultivate a positive camp climate.

10% - Other Clinical Nursing Responsibilities
Review health evaluation forms of entering students for completeness. Abide by OSHA Standards to ensure continued compliance with the mandated BBP regulations.

5% - Patient Education
Provide pertinent education for student’s current condition and general health concerns in a manner that facilitates understanding.
