On Campus

\$375 Per Session

Includes:

***Students participating in both morning and afternoon classes will be provided a supervised lunch hour and escorted to there afternoon class.**

Center for Gifted Education

Established in 1988, the Center for Gifted Education (CFGE) at William & Mary is a learning community that values and fosters the talent development process and optional functioning of high-ability individuals over their lifespan.

Saturday Enrichment Programs

William & Mary's SEP is an academically challenging program with an emphasis on inquiry-based learning for students enrolled in grades K-12. The program is not meant to replace the regular school curriculum; rather, it recognizes the importance of allowing able children to explore additional specialized areas of science, mathematics, humanities, and the arts. Course activities are compatible with the expected achievement of high-ability students at specific grade and age levels. Behaviors fostered by this program include the ability to: apply process skills used in individual field of inquiry, recognize problems and approaches to problem solving, understand and appreciate individual differences, and become a self-directed learner.

Program Information

Tuition: The Saturday tuition fee is \$179 for each on-campus course and \$159 for each virtual course (including a non-refundable \$25 registration fee). The Summer tuition fee is \$375 for each on-campus course and \$225 for each virtual course (including a non-refundable \$25 registration fee). The registration fee is non-refundable.

Minimum Course Enrollment: Approximately one month before the start of the session, the program staff will review course enrollment to ensure classes have met the minimum enrollment requirement. Parents/Guardians will be notified by email should a course be canceled.

Class Placement and Size: Class size will be limited to a maximum of 18 participants (with rare exceptions). Program staff will not process a participant's application until all required forms and the tuition have been received. Class assignments will be made once a complete application is received.

Discipline Policy: The expectation is that students will take responsibility for their own behavior and act appropriately during class to foster a positive learning environment for all students. If a student becomes disruptive, a warning will be issued to the student and parent/guardian on the day of the infraction. If the inappropriate behavior recurs in a second session, the child will be removed from class and may be removed from the program. If a child is removed from the program due to inappropriate behavior, a refund will not be provided.

Course Withdrawals: Request to withdraw from a course must be made in writing prior to the registration deadline. The registration fee is non-refundable. Tuition refunds will be provided for payments made minus the registration fee before the registration deadline (October 1st). Refunds for tuition will not be provided for withdrawals occurring after the registration deadline.

Disability Accommodations: We accept all students with disabilities. If this affects your child, please contact the Program Coordinator to discuss the necessary accommodations.

Admission Requirements for New Applicants

Test Scores: Students who have scored in the 95th percentile or above on a nationally normed aptitude or achievement test are eligible. Application test scores at the 95th percentile or better must be in at least one of the following areas: reading comprehension, vocabulary, language total, math total, math concepts, math problem-solving, science, social studies, or the composite. Please contact your child's school to determine if your child has participated in a qualified test (examples below) and if the scores may be made available to you.

Student Recommendation: A letter from a teacher or other Academic facility recommending them for the program

Application: Completed program application forms via Campsite and uploading all required documentation.

Payment: Via SEP Payment Portal

Examples of Accepted Nationally Normed Tests (this list is not exclusive): American Testronics, Differential Ability Scales (DAS), Metropolitan Achievement Tests (MAT), Terra Nova (CTBS), SRA Brigance Basic Skills (Pre-K), Differential Aptitude Tests (DAT), Metropolitan Readiness Test, Cognitive Abilities Test, Stanford Achievement Test, California Achievement Tests, Iowa Tests of Basic Skills (ITBS), Ravens Progressive Matrices, Naglieri Nonverbal Ability Test, Stanford-Binet Intelligence Scale, Kaufman Assessment Battery, National Tests of Basic Skills, Cognitive Assessment System (CAS), Kaufman Brief Intelligence Test (K-BIT), Otis-Lennon, Test of Language Development, Columbia Mental Maturity Test, Kaufman Test of Educational Achievement (K-TEA), Peabody Individual Assessment Test, Universal Nonverbal Intelligence Test (UNIT), Comprehensive Inventory Basic Skills (CIBS), KeyMath, Wechsler Intelligence Scale for Children (over age 6), Comprehensive Test of Basic Skills (CTBS), Kuhlmann-Anderson Measure of Academic Potential, Screening Assessment for Gifted Elementary and Middle School Students (SAGES-2), Wechsler Preschool and Primary Scale of Intelligence Test (WPPSI-III) (under age 6), Comprehensive Testing Power (CTP), Leiter International Performance Scale, SAT, Wide Range Achievement Test, Degrees of Reading Power (DRP), Matrix Analogies Test (MAT), Slosson Intelligence Test (SIT)
