

Topic	Resource Descriptions and Links
Training and Technical Assistance Center (T/TAC) at The College of William and Mary (W&M)	<p>T/TAC W&M provides a variety of support services, resources, and assistance to educational professionals serving school-age students with mild to moderate disabilities in Eastern Virginia. Services include a lending library, podcasts, online learning modules, considerations packets on a variety of topics including co-teaching and instructional strategies, and a quarterly newsletter.</p> <p>http://education.wm.edu/centers/ttac/</p>
VDOE Instructional Resources	<p>The Virginia Department of Education provides numerous instructional resources. The right-hand navigation pane allows viewers to explore content area resources and specialized instruction.</p> <p>http://www.doe.virginia.gov/instruction/index.shtml</p>
T/TAC Online	<p>T/TAC Online is an online community that shares resources to support educators of students with disabilities. Teachers can find information and resources related to Virginia and regional T/TAC projects, Virginia's Standards of Learning (SOL) and Alternative/Alternate assessments, specific disabilities and disability-related issues, other topics, professional development opportunities, scheduled events, and online training.</p> <p>http://ttaonline.org/index</p>
Teacher Direct	<p>Teacher Direct is a VDOE communication tool through which teachers can efficiently access new instructional resources, the latest SOL news, upcoming professional development events, and a library that contains lessons, presentations, and videos.</p> <p>http://www.doe.virginia.gov/testing/teacher_direct/</p>
E-Resources for All Wiki	<p>This E-resource wiki supports K-12 teachers as they implement the use of technology in their classrooms. This resource wiki is a compilation of technical applications, webinars, podcasts, and educational websites (e.g., Intervention Central, Edmodo, IRIS Center). To request access to the wiki, visit:</p> <p>http://education.wm.edu/centers/ttac/forms/wikiaccess/index.php</p>
The Teaching Channel	<p>The Teaching Channel offers videos of effective teaching practices, instructional materials associated with a variety of topics and content areas, and a newsletter to which readers can subscribe.</p> <p>https://www.teachingchannel.org/</p>
I'm Determined	<p>The I'm Determined website has a variety of instructional tools and resources to assess and teach self-determination skills.</p> <p>http://www.imdetermined.org</p>
