Lower Case Cursive Letters
Stroke Descriptions

"a.   Under, over, stop, back around, up, down, release."

"b.   Curve way up, loop left, down, curve up, bridge."

"c.   Under, over, stop, back around, release."

"d.   Under, over, stop, back around, up, down, release."

"e.   Curve up, loop left, down, release."

"f.   Curve way up, loop left, down, loop right, release."

"g.   Under, over, stop, back around, up, down, loop left, release."

"h.   Curve way up, loop left, down, up, over, down, release."

"i.   Swing up, down, release. Dot."

"j.   Swing up, down, loop left, release. Dot."

"k.   Curve way up, loop left, down, up, over, close, slant down, release."

"l.   Curve way up, loop left, down, release."

"m.   Push up, over, down, up, over, down, up, over, down, release."

"n.   Push up over, down, up, over, down, release,"

"o.   Under, over, stop, back around, loop, bridge."

"p.   Swing up, down, loop left, around, release."

"q.   Under, over, stop, back around, up, down, loop right, release.

"r.   Swing up, down, across, down, release."

"s.   Swing up, around, release."

"t.   Swing up down, release. Cross."

"u.   Swing up, down, up, down, release."

"v.   Push up, over, down, up, bridge."

"w.   Swing up, down, up, down, up, bridge."

"x.   Push up, over, slant down, release. Cross."

"y.   Push up over, down, up, down, loop left, release."

"z   Push up, over, in, curve down, loop left, release."

LOWER CASE CURSIVE LETTERS GROUPED BY APPROACH STROKES

Swing up, stop.

i i t p s r j u w

Push up, over, down.

n m y v x z

Under, over, stop.

a d g o c q

Curve way up, loop left.

l f h k b e

Curve up, loop left.

UPPER CASE CURSIVE LETTERS GROUPED BY APPROACH STROKES

Make a cane:

$$\mathcal{H} \quad \mathcal{K} \quad \mathcal{M} \quad \mathcal{N} \quad \mathcal{Z} \quad \mathcal{U}$$

$$\mathcal{V} \quad \mathcal{W} \quad \mathcal{X} \quad \mathcal{Y} \quad \mathcal{Z}$$

Circle left: Curve down left:

$$\mathcal{A} \quad \mathcal{C} \quad \mathcal{E} \quad \mathcal{O} \qquad\qquad \mathcal{D}$$

Make a flag: Curve up right:

$$\mathcal{B} \quad \mathcal{P} \quad \mathcal{R} \qquad\qquad \mathcal{G} \quad \mathcal{S}$$

Swing right: Curve up left: Curve down right and loop left:

$$\mathcal{F} \mathcal{T} \qquad \mathcal{I} \mathcal{J} \qquad\qquad \mathcal{L}$$
