Individual Submitting this Application:

Name: *Dorothy Osborne
Department: *SPACE
Email: *dsosbo@wm.edu

Home Department:

Chair: *Rip McAdams
Email: *crmcad@wm.edu

Proposal Completed?

Scroll back to the top of this pane and click the right-directional triangle located at the top-left of this pane to LAUNCH your proposal.

If any required fields are incomplete, the form will highlight the required fields with a contrasting orange font color. Complete the required fields and again click the arrow to LAUNCH your proposal.

Save all changes
When you are ready to launch it for other people to view and make comments, select Edit Proposal, and then select the right facing error at the top left.

Once saved, you can edit the proposal by selecting the Edit Proposal icon to the right of the proposal name.
To Make Comments on a Proposal

When you are ready to make comments, select Edit Proposal.

Then select the (+) to add comments.

UREg – OK to an additional specialization to those already in place.

This assumes use of existing AB calendar for online programs and standard use of Banner self-service and/or administrative work for student enrollment.

If special coding will be required to deliver instruction to a global location, please inform us as early as possible in the set-up to ensure accurate reporting.
