

# S. Stuart Flanagan Family Mathematics Scholarship

QUALIFICATIONS FOR AWARD

- ✓ For Undergraduate or Graduate Students
- ✓ For students pursuing Secondary Mathematics concentration
- ✓ Preference to students who demonstrate a spirit of independence, creativity, entrepreneurial interests and service to others.

Established in 2013 by former professor of the School of Education, S. Stuart Flanagan and his family, this endowment will provide financial assistance to undergraduate or graduate students pursuing the secondary Mathematics concentration within Curriculum & Instruction, with a preference to students who demonstrate a spirit of independence, creativity, entrepreneurial interests and service to others.
