

Frederick L. Hill Mathematics Teaching Scholarship

QUALIFICATIONS FOR AWARD

- ✓ For either Undergraduate or Graduate Students
- ✓ Mathematics Education Majors
- ✓ May be used for recruiting new students

Established in 1998 by Frederick L. Hill, this endowment supports a scholarship for an academically distinguished undergraduate student(s) seeking certification to teach mathematics. The candidate is expected to teach mathematics upon completing college and/or graduate school. Recipients of this award will receive a scholarship in the form of tuition. This scholarship award can only be given to an individual once.
